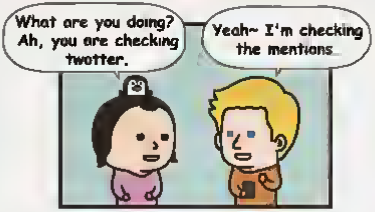
Rainbow

Like last year, Mev and I travelled to a seaside town on the east coast of England to see the sun rise on New Year's Day.

This year we went to Lowestoft.

On the last day of 2013, we went to a nice restaurant to enjoy our last meal of the year.

After that, we went back to our B&B to take a rest before we went to a New Year's Eve party.



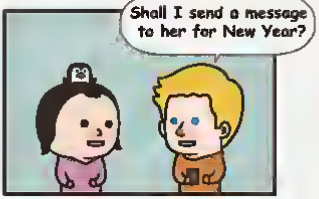
We were both a little drunk from the wine we drank with our meal and we played with our mobile phones for a while.

We looked Mev's following list together.

Then one person caught our eyes.
She was a member of the girl group Rainbow.

A few months ago,
we found that Yoonhye was following us on twotter,...

...since that time,
we've been following her but...



... we'd never sent her a message.
So we decided to send her a message wishing her a happy New Year.

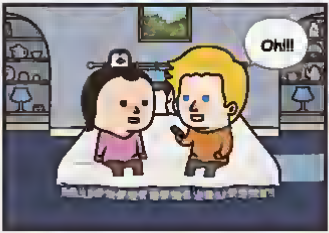
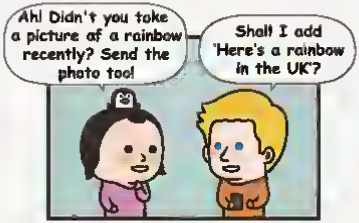
But then...



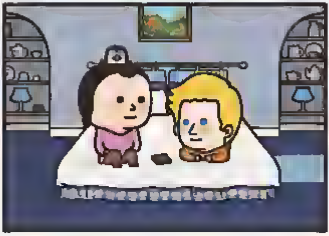
Oh!!!

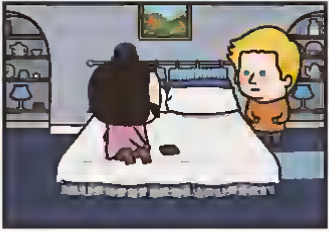
... Mev got a reply from her very quickly.

Mev's drunken red face turned
even redder



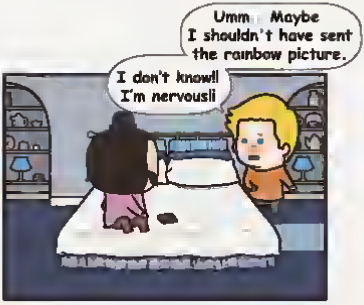
After he replied one more time,...



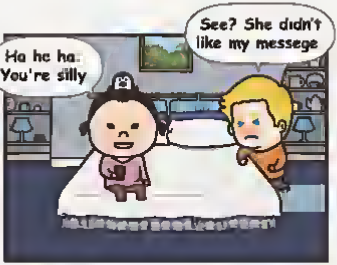


... I could tell that
Mev looked very nervous
for some reason.

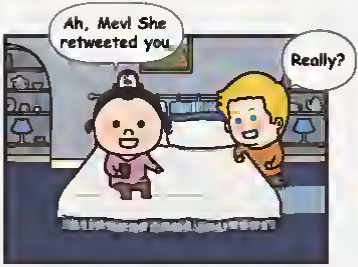
I thought that his last message wasn't very suitable for a reply so I told him this to calm him down.



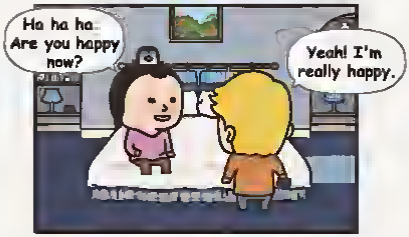
But he still looked so nervous and embarrassed and that made me laugh.



So I just picked up his phone and checked his twitter cpp.

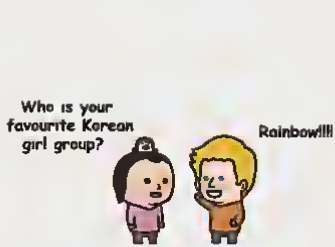


Then I found that she'd already retweeted his reply.



Again,...

... a rainbow appeared on his face.



Who is your favourite Korean girl group?
